Channel Lead - E-commerce | Digital Business & P&L | Marketplace & Quick-Commerce Growth | Brand Strategy | Pricing, Promotions & Digital Marketing | Consumer Insights

PROFESSIONAL SUMMARY

E-commerce and digital-business professional with 5+ years driving channel growth, revenue and margin at Flipkart and Enverus (B2B SaaS). I own category commercials end-to-end - revenue, margin, pricing, promotions, assortment and demand planning - and partner closely with sales, marketing and operations to grow the digital channel. Fluent in the marketplace and quick-commerce landscape, consumer understanding and digital-marketing levers. A startup mindset suited to unscripted, ambiguous environments, using facts and trends to bring clarity and drive decisions.

EXPERIENCE

Flipkart - Assistant Manager - Business Development, Large Appliances (eCommerce) | Jun 2024 - Sep 2026

Owned the growth and commercial performance of a large e-commerce category end-to-end - driving revenue, margin and conversion through assortment, pricing, promotions and demand planning, in partnership with sales, marketing and supply-chain teams.

- Owned category **revenue and margin levers**; through cohort and SKU trend analysis (YoY & MoM), drove **product-exchange bump-ups** on high-value SKUs that grew category **revenue 19% YoY**.
- Set **channel and assortment strategy** using market research and selection analysis; introduced the **Windows segment**, expanding category coverage and lifting **Flipkart market-penetration share ~1%**.
- Led **consumer understanding** - cohort analysis, funnel metrics and user personas - and launched **targeted loyalty-coupon campaigns** that improved **conversion 20%** and strengthened repeat purchase.
- Optimized **promotion and digital-offer spend**; analyzed payment and regional consumer behavior to roll out **South-specific bank coupons**, improving offer adoption and conversion across the region.
- Built automated **Tableau / Power BI dashboards** (SQL, Google Apps Script) giving leadership real-time visibility into channel revenue, margin and operational health.
- Built **demand and revenue forecasting** models to guide buying, pricing and promotion planning; data-driven planning drove a **55% category revenue uplift during Big Billion Days**.

Enverus - Business Analyst I - Market Research (B2B SaaS) | Jan 2023 - May 2024

- Built revenue and sales-trend **dashboards** for US commercial leaders, supporting **ARR that scaled into the \$500MM range**; informed commercial and pricing decisions.
- Re-engineered reporting through **Lean Six Sigma**, driving a **20% reduction in cycle times** and standardizing KPIs across global teams.

Associate - Commercial Intelligence | May 2021 - Dec 2022

- Published quantitative **market and consumer research** across 3 cycles and built unit-economics and pricing models; produced competitive and price intelligence to guide leadership strategy.

PROJECTS & CERTIFICATIONS

AI Personal Stylist - Conversational Fashion Recommender (Streamlit, Python, Generative AI) | [Live Demo](#) | 2026 (Work in Progress)

- Designed and built a chatbot that turns **4 quick questions** (gender/age, style, vibe, colour) into a personalized **style persona** with **3 complete, colour-matched looks** - outfit plus accessories - each linked to **Google Shopping**, with 2026 trend inputs from current fashion sources.
- Applied product thinking end-to-end (problem framing, user flow, recommendation logic): personas that **change the recommendation, not just the label**; **4 questions vs 20 filters** to cut friction; and “**complete the look**” as a **basket-size / AOV lever**.

Certifications

- Customer Value, Acquisition, and Retention** - University of Maryland, College Park • **Agile Project Management** - Google
