IT Business Analyst | Retail & E-commerce Domain | Requirements, User Stories & Functional Specs | SQL & Data Analysis | Agile / Scrum | UAT | Process Mapping & Gap Analysis | Jira & Confluence

PROFESSIONAL SUMMARY

Business Analyst with 5+ years in retail e-commerce (Flipkart) and B2B SaaS (Enverus), working between business and technology teams to **gather requirements, write functional specifications and user stories, analyze data in SQL, and support delivery through UAT** in Agile / Scrum teams. Deep understanding of retail business processes - assortment, pricing, promotions, payments, demand planning - and of customer journeys from browse to checkout. Strong in process mapping, gap analysis, stakeholder management and reporting in Excel, Power BI and Tableau.

EXPERIENCE

Flipkart - Business Analyst - Large Appliances (eCommerce Marketplace) | Jun 2024 - Sep 2026

Business analyst for a large retail marketplace category - translating business needs into requirements for in-app features and processes across assortment, pricing, promotions, payments and in-stock.

- **Gathered and documented requirements** with category, marketing, payments and tech stakeholders; wrote **BRDs / FRDs, user stories and acceptance criteria** in Jira and Confluence for customer-facing features.
- Used **SQL** cohort and SKU trend analysis (YoY & MoM) to define the **product-exchange bump-up** requirement for high-value SKUs, growing category **revenue 19% YoY**.
- Mapped the **customer journey and funnel** (personas, cohort and conversion analysis) to identify gaps; specified **loyalty-customer coupons** that drove a **20% improvement in conversion**.
- Ran **gap analysis** on payment-method and bank behavior across regions; specified **South-specific bank-offer coupons in the payment flow** and supported **UAT** of eligibility and discount rules before go-live, improving offer adoption and conversion.
- Performed **process mapping** and market / selection analysis for the category plan; introduced the **Windows segment**, lifting **Flipkart market-penetration share ~1%**.
- Built automated **Tableau / Power BI** reporting (SQL, Google Apps Script) with standardized KPIs, and regression-based demand forecasting that drove a **55% category revenue uplift during Big Billion Days**.

Enverus - Business Analyst I - Market Research (B2B SaaS) | Jan 2023 - May 2024

- Gathered reporting requirements from US commercial stakeholders and delivered **Tableau / Power BI dashboards** on sales trends and KPIs, supporting **ARR that scaled into the $500MM range**.
- Mapped the as-is reporting workflow and re-engineered it through **Lean Six Sigma**, cutting **cycle times 20%** and standardizing KPIs across global teams.

Associate - Commercial Intelligence | May 2021 - Dec 2022

- Published quantitative research across **3 cycles** and built financial / operational and unit-economics models; produced competitive and price intelligence for leadership decisions.
