Professional Summary

Business Analyst with 5+ years in B2B SaaS (Enverus) and large-MNC e-commerce (Flipkart), pairing strong business analysis and reporting with the organization, communication, and discretion to support senior leaders and a PMO. I analyze operational data for trends, risks, and improvement opportunities; build dashboards and consolidate multi-stakeholder inputs into accurate performance reviews (QBR / MBR); and prepare executive-ready reporting and presentations. Experienced coordinating cross-functional initiatives across product, marketing, finance, and supply-chain teams, tracking follow-ups to closure, and re-engineering reporting with Lean Six Sigma (20% faster). Advanced in Excel, PowerPoint, and BI tools (Tableau / Power BI, SQL); detail-oriented and comfortable handling confidential information and shifting priorities across time zones. VIT engineering graduate — currently serving notice and available at short notice.
