PROFESSIONAL SUMMARY

E-commerce and retail Business Analyst with 5+ years owning category growth and analytics at Flipkart and Enverus (B2B SaaS). Expert in category strategy, assortment, pricing and promotions, demand forecasting, and 360° reporting — turning data into revenue and margin growth. Known for solving ambiguous problems through analytics and cross-functional stakeholder management.

EXPERIENCE

Flipkart – Assistant Manager – Business Development, Large Appliances (eCommerce) | Jun 2024 – Sep 2026

Owned category, seller & SKU performance for a large marketplace category — driving growth via assortment, pricing, promotions, and demand planning across GMV, conversion, and in-stock.

- Owned **cohort and SKU trend analysis** (YoY & MoM); used these insights to drive **product exchange bump-ups** on select high-value SKUs, growing overall category **revenue by 19% YoY**.
- Led **market research and assortment / selection analysis**; introduced the **Windows segment** into the assortment, lifting overall **Flipkart market-penetration share by ~1%**.
- Ran **cohort analysis, customer funnel metrics, and user personas**; launched **coupons for Flipkart loyal customers**, capturing category customers and driving a **20% improvement in conversion**.
- Analyzed **payment methods and bank cross-demographic behavior**; rolled out **South-specific bank coupons**, improving overall **bank-offer adoption and conversion across the South region**.
- Built and automated **Tableau / Power BI dashboards** (SQL, Google Apps Script) with standardized KPIs, giving leaders real-time visibility into category health.
- Built regression-based **demand and sales forecasting** to guide category planning; data-driven planning drove a **55% category revenue uplift during Big Billion Days**.

Enverus – Business Analyst I – Market Research (B2B SaaS) | Jan 2023 – May 2024

- Built and maintained **Tableau / Power BI dashboards** giving US commercial leaders real-time visibility into sales trends and KPIs, supporting **ARR that scaled into the \$500MM range**.
- Re-engineered reporting through **Lean Six Sigma** optimization, driving a **20% reduction in cycle times** and standardizing KPIs across global teams.

Associate – Commercial Intelligence | May 2021 – Dec 2022

- Published quantitative research across **3 cycles** and built financial / operational and unit-economics models; produced competitive and price intelligence to support leadership decisions.
